

STATEMENT OF PURPOSE

RS19256

This new section of Idaho Code 6-2801 and 6-2802 provides clarification with respect to the potential liability of emergency responders across state boundaries. This legislation extends the provisions of existing Idaho Code Section 49-623, incorporating specific references to out of state personnel. Finally, this legislation provides enhanced protection to out of state emergency responders by amending Idaho Code Section 56-1014.

FISCAL NOTE

No fiscal impact to the General Fund.
